

Two NFTS Audience Holiday Offers:

#1- 120 min NFTS audience offer- 120 min channeling/ coaching session

This is a channeled session. Source energy provides information aligning with the frequency of your desires, with the intention to help you raise your vibrational level. Energetic blocks are cleared, which are BELIEFS and/or EMOTIONAL BLOCKS you are holding within your energy system which do not align with what you want, and are holding you in a place of dissatisfaction or unhappiness within your current life situation. During the clearing, guidance contributing to both your forward progression and to the understanding of your guidance system, will be provided. *90 minutes of channeling and 30 minutes of Lifework instruction-techniques you can incorporate into your daily practice to help you stay PRESENT and monitor and raise your vibration.*

**NFTS pricing \$244 (website pricing \$295)
Must be purchased before 12/30/25**

AND

#2- 60 min NFTS audience offer- 60 min channeling/ coaching session

(This service is not available through the website to *first time clients*, but is temporarily available only to NFTS audience in this special offer)

This is a channeled session. Time is provided for your personal questions & to deliver specific information intended to raise your vibrational level and assist in the release of energy blockages.

For individuals who

- are seeking connectivity with the nonphysical
- are seeking guidance about what is going on in their life
- are seeking answers about the contrast they are experiencing
- have questions they want answered by spirit
- are wanting to move forward in their life but feel stuck
- *For ENERGY WORKERS* who are already connected, and are seeking guidance about HOW to move forward in this work.

**NFTS pricing \$150 (not usually available to first time clients, only through this offer)
Must be purchased before 12/30/25**
